

TIMELINE PROPOSAL

- 2014 Legislative Session, HB 38 established the position of Resource Stewardship Coordinator within the Department of Administrative Services **to work with state agencies to implement best practices and stewardship measures to improve air quality.**
- To date, the coordinator has identified approximately 50 liaisons in different agencies that are now linked together to provide leadership to implement & share best practices.
- Efforts and related measurable results will be reported to this committee annually
- She encourages the committee to share comments on the above proposed calendar of activities and/or ideas and efforts related to air quality strategies for State Government Agencies
